

Amalia Villa

May 10, 1937 - November 8, 2023

Amalia Villa, 86, of Dallas, Texas, passed away on November 8, 2023. Born on May 10, 1937, in Zacatecas, Mexico, to parents affectionately known as Mamma Tina and Papa Cuco, Amalia was a cherished member of her family and community.

Amalia spent her professional life as a skilled seamstress at a local factory in Midlothian, Texas, however her expertise was particularly cherished by her family. She lovingly fixed and even tailored wedding dresses for her children, of which there were many.

Amalia's life was enriched by her large and loving family. She leaves behind a remarkable legacy including her seven children, twenty-five grandchildren, and forty great-grandchildren... seventy-two lives of which stem from the life lived by Amalia Villa. She was the second of four children, younger sister to Isaias Villa and elder sister to Jose and Francisco Villa. Her vibrant spirit, sharp wit, and unconditional love will be missed by all who knew her.

A few of her children inherited her love of gardening. Amalia had a special fondness for yellow flowers and often reminisced about growing blue plumbago, a blue flower vine that her grandmother had imported to Mexico from the United States. Her stories of her grandmother's garden were a testament to her deep love for plants and the beauty of nature.

Amalia Villa's life was a tapestry of love, dedication, and beauty, stitched together with the threads of her family, her work, and her passions. Amalia, or as she was lovingly referred to as: Mama, was the matriarch of her family and

she will be lovingly remembered and dearly missed.
