“ I am so very sorry for the family’s loss. Ms. Graham and I were very close and I miss her dearly. I have not stopped thinking of her since I heard the news. We talked almost every day and I will always remember her kind spirit and one of the best things I will keep in my heart forever is how she used to always tell me “I love you” at the closing of our conversations. I always made sure to tell her I love her too. We both know the words were true and I’m glad that is the memory I will keep forever. She will never be forgotten. May your RIP my dear angel. Forever love you.
