“ I went to school with Arthur almost 10 years and lived by him a couple of apartments over in mesquite. Whoever raised him and I know dad provided as a truck driver for a time when we were young, your son was an inspiration and a fine man in every aspect I could imagine a man. Just so you know, the way you hoped he was when he wasn't around you and around others, he was. Be blessed my friend hope to see you again with the king

“ I would like to offer my condolences to the family. I enjoyed spending time with Arthur as he was destined to become a permanent member of our family via marriage to my sister. know now that God had other plans, but my heart is still heavy. I want to thank all of you for sharing him with us because he really brightened our lives. Arthur took the time to visit me in Atlanta on more than one occasion and I also visited him in Texas. He was a special person and my husband and I will miss him.

“ Arthur was a good guy and, I'm glad to have been able to know him as a future Brother in Law. I'm glad my sister had met a good man like him because as a big brother you worry about your siblings and how they are doing in life as you get older, but to know that my sister Aneva was taken care of, took a major weight off my shoulders. I will always remember him and his smile, for he was a good guy and I know he's watching over my sister from heaven. Rest In Peace. Love Isaac and the Jones Family.
