“ *Bernice was a beautiful spirited as well as a pretty young lady with a big heart and as kind as any person could ever be. Going to miss her earthly presence, but rejoice of where her spiritual presence now resides. God bless the family continually.*

“ *I will never forget the many years you've been In our lives. You were our family. My son asks about "Bee Bee" quite often because he misses his godmother. I am so thankful for the years God has allowed us to have that time with you. You have had a profound impact on many lives. Well done Bernice. Rest in peace angel. We will see you again. ?*
