“ Bill was a one of a kind neighbor! We will miss his shouts of “hello neighbor” as we stood in our driveways. His friendship over the years was warm and caring. Always ready to keep an eye on things....have a glass of Veuve or just chit chat about stuff going on in our neighborhood. It’s just not the same now. We miss you and we will see you on the other side!!!! Peace to our friend....and much love .....Tim and Tammy Metzger

“ My dear Friend, where do I start...I loved you dearly. Words cannot express how much I appreciated every thing you did for Laurie and I during her battle. She loved you with her whole heart and I know you loved her. I will very much miss our conversations, cigars and bourbon together. The evenings at the steakhouse and most of all, those phone calls during the Cowboys games screaming about how bad they were playing that game. You taught me a lot about life and about myself. I have already raised a glass to you my friend and I shall do it again. I know you will see Laurie and you two will talk and laugh. I love you Bill. I will see you again. But not too soon. God Bless you my dear friend. Forever in your debt.
