“ *I hold many cherished memories of my Pastor, who was truly like a father to me. There are so many of these memories that I find it difficult to fully articulate them here. This individual was a man of profound faith, possessing extraordinary integrity. He served as an exceptional role model as a father, a Pastor, and a genuine servant of God. It is with a heavy heart that I acknowledge his departure, as I had always hoped he would remain, even though I understood that one day he would have to leave; I simply wished it would not be during my lifetime. His was a life lived admirably, in reverence and devotion to the Lord. I am deeply grateful, Lord, for the opportunity to have known your humble servant.*

To Sister Hinton and the entire family, I extend my love and am praying for your comfort, peace, and strength during this time.

Dear family,,

I was deeply saddened to hear of the passing of Bishop [Hinton. Please accept my heartiest condolences during this incredibly difficult time.

Bishop Hinton was more than just a leader to me; he was a true shepherd. I will never forget the times where he would come into service and tell me you're hitting the drums to loud. Lol. He would offer me ministry advice after a service. His ability to make everyone feel seen and loved was a rare gift.

While we feel a profound loss here on earth, I find comfort in knowing he is at peace with the Lord he served so faithfully. His legacy lives on in the countless lives he touched—including mine.

*Wishing you peace and strength,
Apostle Elijah Smith a dear son.*
