“ I worked with Mr. Allen at Republic Services and boy was he a joy to work with. From the laughs to even helping with something work related it was always a pleasure and joy to speak and work with him. One thing I won't forget is how he would stand in front of the counter and not move until I said, "Good Morning Mr. Allen!" I will cherish the memories we had while working together. Praying for the entire family and may God continue to hold and be with you all during your loss.

“ Mrs. Allen, Thinking of you during this unimaginable loss. Mr. Allen and I worked together at Republic for a few years. I always adored him and his funny wit. I loved to hear of his fishing stories and his time out on his boat. My God hold you tight and comfort you while your heart heals.
