“ *I will always cherish the memories of my husband Reverend David Lee Rhone he was a man that has always accepted me for me and as always loved me for me and I will never forget when he told me if you take the Pacific ocean and the Atlantic ocean together those two oceans put together will never amount to the love that he has for me and I will always remember those words have you told me and I never forget how much you love me and I'll never forget how much I love him*
