

Devonte LaRay Jones

July 24, 1998 - February 20, 2025

Devonte Laray Jones was born in Dallas, Tx. He was raised in Mesquite, Tx. Where he graduated from West Mesquite High school. He loved playing football throughout school. When not in school, he loved watching basketball & football, and most importantly dancing. We are all devastated by this loss. Devonte was just 26 years old and had a vibrant future ahead of him. Despite this tragedy, his family cherish the memories they had during their time together, including we can never forget your first kindergarten PTA program. Calvin and Sasha were so shocked when you starting dancing in the middle of the program. The whole room started clapping and cheering. It was too cute, especially since Devonte added the dance without the teachers approval. We will never forget how they called you little Michael Jackson after that. We will miss your delightful smile and energetic personality.

“ To my amazing baby brother:

Who had a smile that could light up any room. I miss your joyful laugh & how you loved to dance. I love how you always called me no matter what and I will miss hearing your voice. I know you will be watching over us and loved us deeply. I remember when I first told you I was pregnant with your niece, you said you hoped she would be a Leo like you. We laughed so hard because you were right lol. We love you so much and will miss you everyday. Always & Forever

“ Devonte was trying so hard to overcome the obstacles in his life. He loved his family. He was honest about his truth and called often to strengthen his fight. I really thought he had a chance. People can't stand to see young man make it . So sad. Prayers for the family.

“ I remember when he was smaller maybe 10 or 11 and we went to church at FSWB. The pastor was preaching a really good sermon and I would stand to my feet and clap whenever it moved me. Dontae was right there clapping with me and I said now why are you clapping? He said you're clapping..so I'm clapping too!! Now we know he is clapping again.. because he is happy to be with our Lord and Savior!
