“ *Will always remember my "Sis" Diane as compassionate person who was at times, a "sounding board" for not only me, but anyone who were going through trials and tribulations of life. She always listened first and would offer a solution or advise, all while at times she was dealing with her own health and personal issues. To the family, may God continue to "shine his light" on each of you!! Diane and my Brother James are now together again!! Marvin A. Winfrey and family. Huntsville, Alabama*

“ Our sincere condolences to Pastor Roderick Woodson, Tova, the grandchildren and Open Arms of Love family. Dr. Winfrey was a anointed woman of God. She was always sharing and caring for the people of God. She has helped me as a young Saint in many ways. A great roommate at the PAW conventions and a lover of Christian Education and the youth. She worked with my husband Pastor Johnny Ray McGowan in Region IV, supported my grandson Dionte in school programs. She was a light shining bright. Her smile will be missed. There will always be a space in my heart for her.

“ Thanking God for another sister in the Lord that leaves us with precious memories My acquaintance and service together began a few years ago attending the CE Regionals. What an inspiring person. A hard worker and a champion in her own right. My sincere condolences to the family and church in your lost. ❤️🙏

It was always a joy and pleasure to work with Diane in the Blacks in Government (BIG) North Texas and Region VI. She worked with our Youth Oratorical and STEM Programs and we had National Youth winners. she was a true leader and encourager. I was blessed to have been a friend and co-laborer whose life she touched. i will forever cherish the time we had.
