“ My heart is so heavy. This is my bonus Mom. I slept on her sofa. I ate all of her dressing. I wore her perfume. I laughter at her jokes. At times I was the joke. This one right here would give you the clothes off her back. I can not ever remember her complaining about anything. She loved people and people loved her back. Cooked and sewed from her heart. I can go on and on. Lord knows my heart. There are so many stories I have but not enough space to share. She was one of a kind. So very soft spoken ate like a bird. Three things I will leave you with. I could never duplicate her dressing and she could never duplicate my chicken and noodles lol. Last but not least to her family. I ❤️ me some y'all. A person doesn't have to die for you to miss them, I miss my friends. So sorry I can't get there. Best believe I tried. Ms. D left wonderful memories with whom ever she came in touch with.
