“ Mother Whitehead holds a special place in my heart I loved her caring sweet kind soul. She was the babysitter to my child and grandson. I know she's going to be truly missed, She loved a good long life and now it's time to say see you later Sweet child of the most high God Rest well in the bosom of Jesus you made the world a better place.

“ I always enjoyed talking to Mother Whitehead. I would loved to see her rejoicing and up on her feet clapping her hands during our church services. We must not forget that beautiful smile that would brighten up any room she walked into.
