“ My condolences to the family I'm so sorry for your loss. Floyd is my cousin I met him at my Grandfather's homegoing In Lubbock, along with my Dad's brother Uncle Robert. Floyd and I use to talk regularly but as his health failed it was just when ever we could reach each other. Although he has taken his flight and are in no more pain he will be missed. As a matter of fact I called him on Monday and left him a message not knowing he had passed. He had been on my mind. Floyd you have earned this peace so rest.
