“ This is so hard for me, Gavin is one of my sons, I've known him since he was about 8 or 9, my daughter was married to his older brother. I got to see him every time he would spend the weekend with them. Gavin was such a sweet child, he would walk in the door, hi Mom, what you cook? If I hadn't cook I would tell him nothing, then he would say do you have any leftovers. I hadn't seem him since the kids separated about 4 years ago, but he will always be one of my sons, and have a special place in my heart. Rest in Heaven Sweetie, and I will see you soon. God was missing an angel and he called one of ours. We love you Sweetie, and know you will be looking down on us.
