“ I don't know why, but I always thought of Jerry as my “much” younger cousin, just now realizing we were born about 3.5 months apart. I ran into Jerry in 1973, about a year & a half before my husband dragged me to MD. He told me I was too skinny & we both laughed because I had lost 45lbs from a tonsillitis infection. Well, my dear cousin if you could have seen me about ten years later...you would have told me I was a “porker”...& I was!😂😂😂 Rest in peace, Dear Cousin, say hello to all our family waiting to receive us.🙏🙏🙏
