“ Caesar, I'm saddened to just now seeing this and wished I had known and would have celebrated your life man. Thank you for everything you did to help me promote my business when I started at Verizon. Your wisdom, encouragement and contagious laugh taught me so much. You were always a good dude to me.

Michael Ceasar it sadden me I missed your homegoing. During your illness it allow me to look back over years we did business together; as well as our freindship that evolved from the year's long association.

Throughout the duration of time, I watched you grow in the Lord and start your own business.

In my mind, that smile and gracious demeanor of yours left us way too soon.

You will be missed by my family and I'm sure countless others.

RIP - Mr. Michael T. Ceasar!!!
