“ *Mama, I miss you so much. Words can not explain enough on how I feeling. My life will never be the same. When you transition over apart of me left with you but I know it's going to be a journey and a daily walk without you being here. God knows that I will always and forever have you in my heart. I love you my Queen* 💔🕊️

“ You were a special angel to my life. You brought happiness in a time of sadness, You were a mentor to me and inspired me and encouraged me to drive further in life that I never thought I would see today. Mama Kirven you was my mama I never had. You taught me to believe in myself and trust God and always have faith. Heaven has gained an angel. Mama you will always be loved in my heart. To Mr. Walter, Shuyna and Kevin and the family, we are praying for strength and healing. We are here and we  you.
