“ *My Condolences to the family and children. Maurice was a very kind gentleman who enjoyed living. He always exhibited a smile or welcoming greeting/. Most of all Maurice seemed to be very level headed and focused on what he was doing. His maturity showed self-control, self confidence and the will to press thru. Even when playing basketball, I remember him not reacting much when someone scored a point on the other team. Instead, you could see his competitive nature would make him put in a better effort the next time. He was genuine and a Man's Man. I know he fought the good fight of faith!!!*
