“ Oh how I wish that I had another chance to say "I Love You" It's been exactly 9 months and 1 day since we memorialized by baby and this is a very painful feeling. I feel Blessed that he left 2 pieces of himself Brandon Malek and Lyric Royal, the only thing that I have left of you....Mom <><><><

“ Words cannot express my feelings right now, still waiting for your sister to say "Oh Bubba Gene is back" or waiting on you to say "Alright...Alright" when u see me but I won't ever hear you again, your personality and spirit was incredible, and my heart aches !! this loss is extremely painful and in some ways traumatizing. You had sooo many people rooting for you and now you're gone. I remember when I took you to the first concert Lil Bow Wow or whatever his name was, and i dressed up like i was going to church since thats where we stayed lol...i remember trynna teach you how to kiss a girl, braiding your hair and just being "your mom" and your daddy was definitely being a dad ! I will hold on to all the good memories and cherish them forever, the kids are gonna miss you too Bubba Gene we will carry on as much as possible I will always love you.
