“ *In Loving Memory of Sandra Howard*

It is with heavy hearts that we bid farewell to our beloved friend, Sandra Howard, a cherished member of the Hutchins Senior Program. Sandra was not just a participant; she was a shining light in our community, embodying the spirit of dedication and joy.

For years, Sandra never missed a day at the center, bringing her vibrant energy and warm smile to every gathering. Her love for bingo was infectious, and she was always the first to cheer on her friends at the tables, creating an atmosphere of fun and camaraderie. Beyond the games, Sandra was a steadfast supporter of our staff and an active participant in keeping our center organized and welcoming for all.

Sandra's commitment extended far beyond the walls of our center. She showed up to every community event, offering her help, encouragement, and unwavering support. Her presence made every occasion brighter, and her contributions will be remembered fondly by all who had the privilege of knowing her.

Though her health eventually began to fail, Sandra's spirit remained strong. She faced her challenges with grace and resilience, reminding us all of the importance of community and support.

Sandra Howard will be greatly missed, but her legacy of kindness, support, and love will never be forgotten. We extend our deepest condolences to her family and friends during this difficult time. Thank you, Sandra, for all the joy you brought into our lives. You will forever hold a special place in our hearts.

Sincerely ,

Hutchins Senior Program
