“ Mama,  
It's been one year since you've been gone. Life feels so empty without you. Caring for you was my life and now I'm left with trying to find my new normal. I light a candle in memory of you every morning. You will forever be in my heart. I miss you so much Mama.

*I thought about you  
Yesterday,  
and days before that too  
I think of you in silence,  
I often speak your name.  
All I have are  
Memories  
and your picture in a frame.  
Your memory is a  
Keepsake  
from which I will never part.  
God has you in His arms.*

“ Today marks 1 month without you here with me Mama. This is hard but you raised me to be a fighter, just like you was. I love you.

all our loved ones who have died.  
Please give them comfort and hope  
and may they be at peace,  
knowing that they will  
rest in God's arms eternally.  
Thank You for our memories of them  
and for the good times we shared.  
We ask You, please,  
through their intercession,  
to deepen our faith,  
strengthen our hope

“ Mama, I miss walking in the room everyday and saying "Hey Mama, your baby is here". You would then give me this look which told me that you were happy to see me. It's the small things which makes all the difference. My days feel so empty without you. I miss you so much.
