

Stephen Don Giles II

January 28, 1978 - June 6, 2022

On January 28, 1978, Stephen Don Giles II was born to the parentage of Lydia Daniels and Stephen Don Giles, and oh what a joyous occasion it was. He had several nick names such as Stevie, little Stevie, Steebo and Web, which was the one his grandfather named him. He accepted them all so graciously.

He loved the Lord and accepted Christ at an early age. Steve was diagnosed with Type 1 diabetes at an early age but never let that hinder him from living life to its fullest. He was a very strong-willed young man. He played soccer, football and ran track and was an avid sports fanatic.

Even though he did not have a biological child, when Sparkle, his sister, had Jayden, he stepped up and took on the role of her father. He loved her with everything within him and we were all so proud of him for that.

Later on in life, he met and married the love of his life, Nohemi Munoz on October 13, 2018. Remember the old saying of stand by your man? Well, Nohemi not only stood by him, she stood with him until his demise.

His love and concern for others was of the utmost sincerity even in the midst of what he was going through. His phone calls and text messages were always at the right time.

He leaves to cherish his memories:

His wife Nohemi Giles, Mother Lydia Daniels, Father Stephen D. Giles, Mom Clarice Tinsley Giles, Grand Mothers Rosine Daniels, Darlene Giles and Janet Tinsley, Sister Sparkle Daniels (Shay), Niece Jayden Daniels

Aunts: Rose Green (Bennie) and Fandra Giles (James)

Uncles: Bobby Daniels (Carylon), Allyn Giles (Desi), Ronnie and Melvin Giles

In-Laws: Bernabe and Margarita Munoz

Sisters-in-law: Eunice Munoz and Loyda Ebacher (Adam)

Brothers-in-law: Abraham Munoz and Neftali Munoz

And a host of cousins, nieces, nephews, relatives and friends.

“ Steve, you always had a genuine smile on your face and a helping spirit that I wish I could bottle up. I only worked with you for a short amount of time but the times that you were floated to our floor, we loved having you. You were so kind, caring, enthusiastic, and easy to get along with. God has called you home. Rest In Peace friend ❤️ Sending your family love, light, and comfort.

“ My condolences are extended to my good friends, the Giles family. Words cannot express the sorrow I feel at the passing of such a wonderful man. He always greeted me with a smile and a hug. I am thankful the last time I saw him was the occasion of his marriage when he beamed with happiness. Steebo, sleep well and take your rest; we all loved you but God loves you best.

“ To one of my favorite cousins who called me Dani. I'm glad I got a chance to tell you I love you on many occasions while you were here on earth. I'm glad I was able to see you just a couple of days prior..... You are a Warrior and a Hero! A contagious smile and laughter still rings. I am new to the family but you welcomed me since day one. Sending love and strength to the family.

My last memory of you will be your last FB post committing to walk without crutches. Farewell son, you will never need those crutches again as you've earned your eternal wings to fly away. I know Dee was waiting to embrace you. RIH
