“ We share many memories and those will forever be cherished. We were born as two families but grew up as one. You will be missed by many and loved by all. Love you my brother from my other mother. Rip

“ I haven't been around since I was a teen because I live in Washington. But when me and my husband moved back to Texas, Tony not only welcomed us with open arms he took me to see Tubby again. I was so happy to see my cousins again. We were close when I got to come visit during the summer as a child. You will be dearly missed Tony. Love you cuz. May you RIP

“ He was always at his mommas side and we called him cotton top because of hair.Always had a beautiful smile and dimples that would melt your heart.He loved his kids and grandbabies.He was always relaxed and shyed to crowds but when he had family around he was first shake your hand,give you a hug or slide in hey how you been.Loved our cotton top and was always a brother instead of a cousin.Family always and siblings forever!
